## Clean and green campus Environment initiative

### Clean Campus

Smt. Janakibai Rama Salvi College, within its campus, upholds a rigorous cleaning regimen that ensures a pristine and hygienic environment conducive to learning and growth. Led by dedicated staff members, the cleaning efforts encompass various facets of campus upkeep. Firstly, the college prioritizes regular maintenance of classrooms, laboratories, and common areas. This includes dusting, mopping, and sanitizing surfaces to mitigate the spread of germs and promote a healthy atmosphere for students and faculty alike.

Moreover, the college extends its cleaning endeavors beyond indoor spaces to encompass outdoor areas such as gardens, pathways, and recreational zones. This holistic approach not only enhances the aesthetic appeal of the campus but also fosters a sense of pride and ownership among the college community. Additionally, special attention is paid to waste management practices, with an emphasis on recycling and proper disposal techniques to minimize environmental impact.

Furthermore, Smt. Janakibai Rama Salvi College emphasizes the importance of cleanliness education as part of its student development initiatives. Through workshops, seminars, and awareness campaigns, students are encouraged to actively participate in maintaining cleanliness standards within the campus and beyond. This instills a sense of responsibility and civic duty, empowering students to become conscientious citizens committed to upholding cleanliness in their communities. In essence, the college's comprehensive approach to cleaning not only ensures a physically clean environment but also cultivates a culture of cleanliness and sustainability among its stakeholders.

## Green Campus

Smt. Janakibai Rama Salvi College demonstrates a strong commitment to environmental stewardship through its tree plantation initiatives within the campus. Recognizing the vital role of trees in mitigating climate change and enhancing biodiversity, the college has implemented a systematic approach to tree planting. Through collaboration with local forestry departments and environmental organizations, suitable tree species are selected to complement the campus ecosystem while addressing regional conservation priorities.

The tree plantation efforts at Smt. Janakibai Rama Salvi College are not limited to ceremonial events but are part of a sustained, long-term strategy for greening the campus. Areas are identified for afforestation based on ecological considerations and campus development plans. Students, faculty, and staff are actively involved in the planting process, fostering a sense of ownership and environmental responsibility among the college community.

Furthermore, the college recognizes the educational value of its tree plantation endeavors. Initiatives such as tree adoption programs, workshops on agroforestry, and guided nature walks are integrated into the curriculum to raise awareness about the importance of trees and foster a deeper appreciation for nature among students. These initiatives contribute to the holistic development of students, nurturing a sense of environmental consciousness and instilling lifelong values of sustainability.

Overall, the tree plantation efforts undertaken by Smt. Janakibai Rama Salvi College not only contribute to the beautification of the campus but also serve as a testament to the institution's dedication to environmental conservation and education. By planting trees, the college is sowing the seeds for a greener, more sustainable future, both within its campus boundaries and beyond.
